AMENDMENT AND REPLY

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

In complete response to the Official Action mailed on March 16, 2000, please first
amend the above-identified application as follows:

In The Claims:

— Please delete claims 1-12, without prejudice or disclaimer to the subject matter
disclosed therein.

Please add the following new claims 13-142:

SUB B17
a1
--13. An isolated epitope or antigen associated with impaired peptide
processing, wherein said epitope or antigen is expressed on target cells in which cellular
peptide processing for MHC presentation is impaired, wherein said epitope or antigen is
recognized by T-lymphocytes or T-cell receptors, and further wherein target cell
